THE UNIVERSITY OF TOULON

📍 TOULON CITY-CENTER

The downtown campus is the University's second largest campus with nearly 3,000 students. Our downtown campus is modern and well equipped with a wide range of facilities catering to a range of student needs. Our modern brand-new campus (called the Toulon-Porte d'Italie or Toulon City-Center campus) was inaugurated in 2014. It is located downtown, in "Mayol" district (near the "Mayol" shopping mall). The Toulon's harbor (which is one of the most beautiful harbors in Europe and which is also the second military port in France) is only 10 minutes away on foot. The "Mayol stadium" and its rugby team, the "Racing Club de Toulon" are only a few yards away. Close by, students can enjoy the Opera of Toulon Toulon and the old town or, they can enjoy the Mediterranean Bay and the Mourillon beach with its bars and restaurants.

📍 Faculties:

- The Faculty of Law
- The Faculty of Economics and Management
- The Ingémédia Faculty of Information and Communication
- The Institute of Business Administration (IAE)
- Doctoral School 509 "Comparative Euro-Mediterranean Civilizations and Societies"

📍 Strengths:

- 2 libraries (BU): One library at the Faculty of Law and a new library specializing in Economics, Management, and Information and Communication (located in the "Baou" building)

📍 DRAGUIGNAN CAMPUS

This is our smallest campus. It is a satellite campus of the Faculty of Law and the IUT's Department of Business Administration (GEA).

◎ TOULON

Located in the Provence-Alpes-Côte-d'Azur region, Toulon is the capital of the Var department. With a population of 170,000, Toulon is the fifteenth-largest city in France, the fourth-largest French city on the Mediterranean coast after Marseille, Nice, and Montpellier. Each year the town welcomes some 15,000 students through various schools: UTLN, engineering schools and an art school.

Toulon is an important center for naval construction, fishing, wine making, and the manufacture of aeronautical and electronic equipment. The military port of Toulon is the major naval center on France's Mediterranean coast, home of the French Navy aircraft carrier Charles De Gaulle and her battle group. The French Mediterranean Fleet is based in Toulon.

According to government data, Toulon has more sunshine per year than any other city in France: an average of 2,856 hours per year. This is largely due to the wall of mountains (Maritime Alps) that protects Toulon from weather coming from the north. Just 50 km to the east of Toulon are the beautiful French Riviera cities of Saint Tropez and Saint Raphaël. Marseille and Nice are both less than one hour by train.

◎ AROUND TOULON

Toulon is a dynamic, sports-loving town with top of the league basketball, rugby (RCT Team) and women's handball teams. The town is well-equipped for culture and leisure activities with an opera house, a concert hall, a theatre and an exhibition hall.

Numerous and various cultural activities are offered in the greater Toulon area: museums, theatres ("Théâtre Liberté de Toulon"), concert halls (Zenith Omega Toulon, place of Chateauvallon) and many movie theatres such as the art house "Le Royal". (Read Cultural Life)

Famous beaches such as Le Mourillon, Cabasson (Fort Brégançon), Estagnol, as well as numerous « Calanques » and the Porquerolles islands are particularly appreciated.
